

MINING SALES &
SERVICE REPRESENTATIVES

Utah, Nevada, New Mexico, Texas, Pennsylvania, Minnesota

Bel-Ray Company, Inc., a world leader in the production and sale of specialty lubricants for mining markets around the world is seeking an ambitious, skilled technical sales and service professional to help us expand our business. The successful candidates will have excellent communication skills and personal presentation, mechanical aptitude, PC literacy in Word, Excel and Power Point, a Trade School or Engineering background. Lubrication related experience, previous interaction with OEM's in the mining industry, and maintenance experience is a required.

Primary responsibilities include generating new sales, managing existing customers, machine inspections of mining equipment from boom to ground, providing lubricant product and application knowledge, and proactive preventive maintenance services.

Our Technical Sales and Service Representatives undergo a thorough training program and are backed by a strong product development and technical support team. Overnight travel up to 3 nights a week can be expected. MSHA and HazCom certification is required but not a prerequisite.

We offer a competitive compensation package and benefits program, including 401(k). This is a salaried position. In strict confidence, please send resume with salary requirements via e-mail to employment@belray.com or fax to 732-378-4085.

We will only respond to qualified candidates in whom the company has an interest.

Bel-Ray Company, Inc. is an Equal Opportunity Employer EOE M/F D/V
