### **About the Speaker**

John Hayden is Deputy Executive Director at SME, with primary responsibility for government relations, public affairs, communications, the SME Foundation and the Minerals Education Coalition. Before coming to SME in 2011 he was Vice President of Environment, Safety & Health for the National Stone, Sand & Gravel Association in Washington, DC. John holds a B.S. in Geology from the University of Georgia and a Graduate Certificate in Environmental Management and Sustainability from the George Washington University. He is a Founding Registered Member of the Society, and is past Chair of the Washington D.C. Section of SME.
