About the Speaker:

Madan M Singh is a Physical Scientist with the U.S. Geological Survey in Reston, VA. Previously, he was the Director of the Arizona Department of Mines and Mineral Resources. He participated in numerous technical committees, including those of the U.S. National Academy (USNA) of Engineering, USNA of Sciences, U.S. National Committee (USNC) for Rock Mechanics, and USNC on Tunneling Technology. He is also the recipient of numerous awards and recognitions bestowed by SME and academia.
